

KINGDOM BUSINESS FELLOWSHIP 2026

“2026: THE YEAR OF THE WIND OF HEAVEN”

Winds of Expansion • Marketplace Dominion • Supernatural Growth

God is moving. And if you understand the Wind of Heaven, you will understand what God is doing in your business, your finances, your influence, your assignments, and your calling.

Jesus said:

John 3:8 (NKJV)

“The wind blows where it wishes, and you hear the sound of it, but cannot tell where it comes from and where it goes. So is everyone who is born of the Spirit.”

Jesus is telling us:

You may not be able to control the wind...

but you can hear it...

you can discern it...

and you can align with it.

God is releasing marketplace believers into a new level of expansion. But expansion does not happen by ambition alone.

Expansion happens when a person learns to:

- recognize the Wind
- raise the sail
- and move when Heaven moves

PART 1 — WHAT IS THE WIND OF HEAVEN? The Hebrew word **ruach** means: wind, breath, spirit The Greek word **pneuma** means: wind, breath, spirit; So when we say “Wind of Heaven,” we are not talking about weather. We are talking about **the Spirit of God in motion.**

The Wind of Heaven is the invisible force of God that produces visible outcomes.

You can't see wind, but you can see:

- trees bending

- waves shifting
- sails filling
- dust moving
- clouds forming

In the same way, you can't always see what God is doing behind the scenes, but you can see the results:

- doors opening
- ideas coming alive
- clients appearing
- strategies becoming clear
- finances shifting
- favor manifesting
- divine connections forming

The Wind of Heaven is when God starts pushing what you could never push by human strength.

2026 is going to be a year where:

- some will accelerate
- some will expand
- some will multiply
- some will shift territories
- some will build structures that will last generations

But you must discern: **Which wind is blowing?** Because not every wind is the same.

PART 2 — THE WINDS OF HEAVEN THROUGH SCRIPTURE

1. The Wind of Creation — Order Out of Chaos

Genesis 1:2 (NKJV)

“The earth was without form, and void; and darkness was on the face of the deep. And the Spirit of God was hovering over the face of the waters.”

The first thing we see in the Bible is this: When everything looks chaotic, God's Spirit hovers. That means the chaos is not the end. It's the beginning.

Marketplace Application:

Some of you entered 2026 with chaos:

- confusion in strategy
- staff problems
- broken systems
- inconsistent cash flow
- unclear vision
- a business model that no longer fits

But hear the Word of the Lord: **The Spirit hovers over chaos to create a new system.** God is about to take disorder and turn it into design.

The Wind of Heaven brings:

- clarity
- creativity
- structure
- order
- innovation

This is the year where God gives you:

- new streams of income
- new marketing understanding
- new product models
- new ways to scale

2. The Wind of Deliverance — A Way Where There Is No Way

Exodus 14:21 (NKJV)

“The LORD caused the sea to go back by a strong east wind all that night...”

God delivered Israel by wind. He didn't teleport them. He didn't eliminate the Red Sea. He opened a path through the obstacle.

Marketplace Application:

Some of you are staring at a Red Sea:

- no capital
- no lending
- no investor
- no way to scale
- no way to break into the market
- no way to overcome competition

But the Wind of Heaven is the force that creates pathways. And sometimes God doesn't remove the problem. He gives you a strategy to walk through it. This year, you will not drown in the waters of limitation. You will cross on dry ground.

3. The Wind of Provision — Supernatural Supply

Numbers 11:31 (NKJV)

“Now a wind went out from the LORD, and it brought quail from the sea...”

The wind carried provision. God literally moved food into their territory.

Marketplace Application:

God can send:

- contracts
- clients
- partnerships
- unexpected opportunities
- divine supply
- favor from strangers

Provision will travel to you. The Wind of Heaven can blow resources into your life. But there is a warning: Israel received provision but complained. The issue was not supply—it was attitude. **Do not complain your way out of a miracle season.**

4. The Wind of Correction — Divine Course Adjustment

Jonah 1:4 (NKJV)

“But the LORD sent out a great wind on the sea...”

That storm was not Satan. That storm was God. It was a wind of correction.

Marketplace Application:

Some of you are going to feel pressure this year—not because you're cursed, but because you're misaligned.

God will blow against:

- pride
- unethical practices

- compromise
- dishonest partnerships
- wrong motives
- greed without stewardship
- business models that harm families

God will not expand what He cannot trust. If you want Wind of Expansion, you must accept Wind of Correction.

5. The Wind of Revival — Power and Bold Witness

Acts 2:2 (NKJV)

“And suddenly there came a sound from heaven, as of a rushing mighty wind...”

That wind birthed a movement.

Marketplace Application: This year, God is going to empower believers in the marketplace to:

- speak boldly
- represent Christ publicly
- carry integrity
- pray for people
- heal the sick
- cast out devils
- operate in prophetic wisdom
- become leaders with spiritual authority

Because the marketplace is not just an economy—it is a mission field.

PART 3 — THE MAIN WORD FOR ENTREPRENEURS: WINDS OF EXPANSION

The major emphasis of 2026 is: **THE WINDS OF EXPANSION**

Zechariah 2:6 (NKJV)

“For I have spread you abroad like the four winds of heaven...”

God says, “I spread you.” That means expansion is not just ambition. It is Heaven’s strategy. **God expands people to expand His Kingdom.** Not just to increase income. Not just to buy bigger houses. Not just to have a nicer lifestyle.

But to fund the Gospel. To employ people. To build schools. To finance missions. To establish righteous influence in the marketplace.

1. Expansion Means God Will Move You Out of Your Comfort Zone

Expansion is uncomfortable. You can't expand and stay safe. If you want bigger results, you need bigger obedience.

Some of you are going to feel a divine restlessness:

- "I can't stay here."
- "This business model is too small."
- "This market is limited."
- "This region is maxed out."
- "This season is ending."

That is not depression. That is not anxiety. That is the Wind of Heaven pushing you.

Challenge: Don't mistake the discomfort of expansion as a sign you are off track. Sometimes the pressure is the sign you are being stretched into your next dimension.

2. Expansion Requires New Wineskins

Jesus said:

Luke 5:37–38 (NKJV)

"And no one puts new wine into old wineskins; or else the new wine will burst the wineskins and be spilled, and the wineskins will be ruined.

But new wine must be put into new wineskins, and both are preserved."

God will not pour new increase into old structures. This year, some of you must rebuild:

- systems
- accounting
- leadership structure
- legal protections
- branding
- marketing
- delegation
- operations
- staff training
- time management

Because the Wind of Heaven is not just spiritual. It is structural.

Key Principle: God will send increase, but you must build capacity. If you do not build capacity, the blessing will break you.

3. Expansion Means Territory

The Bible teaches that God gives territory. **1 Chronicles 4:10 (NKJV)**

“And Jabez called on the God of Israel saying, ‘Oh, that You would bless me indeed, and enlarge my territory...’” Some of you need to pray like Jabez this year. Not selfishly, but missionally.

Territory is:

- new cities
- new states
- new nations
- new industries
- new platforms
- new markets
- new demographics

The Wind of Heaven pushes beyond your previous border. **Encouragement:** You are not too late. You are not too old. You are not too small. If God is blowing, you are going.

4. Expansion Means Divine Connections

Wind carries things. Wind moves people into position. This year, God will connect you with:

- strategic partners
- mentors
- kingdom investors
- international relationships
- suppliers
- high-level clients
- church-building opportunities

But here’s the key: **You must be prepared when the wind brings them.** Some believers pray for expansion but cannot handle relationship management. Some pray for big opportunities but lack excellence. **Build your character before you build your empire.** Because God will not give you influence if you cannot steward honor.

5. Expansion Requires Bold Faith Decisions

Expansion will require decisions that scare your flesh.

It may require:

- launching something new
- hiring someone before you feel ready
- stepping into a bigger facility
- investing in new technology
- cutting off a toxic partner
- shutting down a product line
- going global

And many believers delay destiny because they wait for certainty. But the Wind does not come to people who refuse movement. You cannot steer a parked car. You cannot sail without lifting the sail.

Challenge: Some of you have been praying for wind while refusing to raise the sail. This year, God is saying:

“RAISE THE SAIL.”

Make the call. Write the proposal. Launch the product. Register the company. Apply for the loan. Meet with the investor. Train the team. Get the systems in order. Because faith without works is dead.

James 2:17 (NKJV)

“Thus also faith by itself, if it does not have works, is dead.”

6. Expansion Must Remain Under the Lordship of Christ

Here is the danger in business expansion: If God expands you, but you stop honoring God, the expansion becomes a snare. The Bible warns: **Deuteronomy 8:17–18 (NKJV)**

“Then you say in your heart, ‘My power and the might of my hand have gained me this wealth.’ And you shall remember the LORD your God, for it is He who gives you power to get wealth...”

We must remember:

- wealth is a tool
- success is stewardship
- prosperity is a responsibility

God gives power to get wealth, not to build ego. **Kingdom Business is not about getting rich.** It’s about funding righteousness.

7. Expansion Comes With Warfare

Every time God expands territory, warfare rises. Increased influence means increased resistance. If you step into expansion, expect:

- criticism
- jealousy
- spiritual warfare
- intimidation
- sabotage attempts
- distractions

But do not fear. The Wind of Heaven is stronger than the winds of hell.

PART 4 — DISCERNMENT: NOT EVERY WIND IS FROM GOD

Paul warned: **Ephesians 4:14 (NKJV)** “That we should no longer be children, tossed to and fro and carried about with every wind of doctrine...”

In business, there are also winds:

- trends
- hype
- fads
- “get rich quick”
- dishonest marketing
- compromise systems

Some of it is called “wisdom,” but it is not God’s wisdom. In 2026 you must learn: **Not every opportunity is God. Not every open door is a divine door.** Some doors are traps. Some expansion is counterfeit.

This year you must discern:

- Does this align with righteousness?
- Does this honor Christ?
- Does this bless people?
- Does this strengthen my family?
- Does this increase my ability to serve the Kingdom?

If it does not, it is not the Wind of Heaven.

PART 5 — HOW TO POSITION YOUR BUSINESS FOR THE WIND OF HEAVEN

7 practical positioning principles for 2026.

- 1. Position Yourself in Prayer;** Prayer is not religious activity. Prayer is alignment.
- 2. Build Excellence;** Excellence is stewardship; Sloppiness blocks favor.
- 3. Get Your House in Order;** Your finances, bookkeeping, taxes, legal structures—get them clean.
- 4. Honor God With Giving;** Expansion flows through generosity.
- 5. Guard Integrity;** Do not trade character for contracts.
- 6. Build People;** Train leaders. Develop staff. Raise disciples in the workplace.
- 7. Move When God Moves;** Delay kills momentum.; When the wind is blowing, you must raise the sail.

2026 will not be a survival year; 2026 will be an expansion year.

God is blowing on:

- ideas
- businesses
- investments
- partnerships
- innovation
- kingdom influence

But you must decide: Will you stay in the harbor of comfort? Or will you raise the sail? Because the Wind of Heaven is not given for spectators. It is given for those who are willing to move.

The Wind of Heaven is going to carry your business into new territory.

The Wind of Heaven is going to open doors you could not open.

The Wind of Heaven is going to bring divine connections.

The Wind of Heaven is going to release provision.

The Wind of Heaven is going to correct and align you.

The Wind of Heaven is going to expand your influence in the marketplace.

And as God expands you, your business will not just prosper— your business will become a tool to advance His Kingdom.

Let this be your prayer:

“Lord, in 2026, I will not resist Your Wind.

I will not stay stuck in old seasons.

I will not fear expansion.

I will not compromise for increase.

I will build capacity.

I will walk in integrity.

I will honor You with wealth.

I will fund the Gospel.

I will expand the Kingdom in the marketplace.

In Jesus’ name, amen.”

I declare the Wind of Heaven is blowing on my business.

I declare my territory is enlarging.

I declare supernatural provision is coming.

I declare divine partnerships are being formed.

I declare my influence is increasing.

I declare my business will prosper without compromise.

I declare my success will advance the Kingdom of God.

2026 is the Year of the Wind of Heaven.
